Boston Scientific

Boston Scientific Announces Updated Time for Webcast of Conference Call Discussing Fourth Quarter and 2006 Financial Results

NATICK, Mass., Jan. 31 /PRNewswire-FirstCall/ -- Boston Scientific Corporation (NYSE: BSX) will webcast its conference call discussing financial results for the fourth quarter and the year ended December 31, 2006 on Thursday, February 1, at 8:30 a.m. ET. A press release will be issued at 8 a.m. on February 1.

The call will be hosted by Jim Tobin, President and Chief Executive Officer, Paul LaViolette, Chief Operating Officer, and Larry Best, Executive Vice President and Chief Financial Officer.

The live webcast and archived replay of this call will be available at http://www.bostonscientific.com/ in the Investor Relations section. The webcast is also being distributed over Thomson Financial's Investor Distribution Network via two locations: http://www.earnings.com/, which is accessible to the public, and http://www.streetevents.com/, a password-protected event management site.

To ensure a timely connection to the live webcast it is recommended that users register at least 15 minutes before the webcast begins. A replay of the webcast will begin at approximately 11:30 a.m. ET on February 1 and will be available for one year.

Boston Scientific is a worldwide developer, manufacturer and marketer of medical devices whose products are used in a broad range of interventional medical specialties. For more information, please visit: http://www.bostonscientific.com/.
