Boston Scientific to Webcast Conference Call Discussing Fourth Quarter and 2009 Financial Results

NATICK, Mass., Jan. 19 [/PRNewswire-FirstCall/](#) -- Boston Scientific Corporation (NYSE: BSX) will webcast its conference call discussing financial results for the fourth quarter and the year ended December 31, 2009 on Thursday, February 11, at 8:00 a.m. ET.

The call will be hosted by Ray Elliott, President and Chief Executive Officer, and Sam Leno, Executive Vice President and Chief Financial Officer.

The live webcast and archived replay of this call will be available at www.bostonscientific.com in the Investor Relations section. The webcast is also being distributed over Thomson Financial's Investor Distribution Network via two locations: www.earnings.com, which is accessible to the public, and www.streetevents.com, a password-protected event management site.

To ensure a timely connection to the live webcast it is recommended that users register at least 15 minutes before the webcast begins. A replay of the webcast will begin at approximately 11:00 a.m. ET on February 11 and will be available for one year.

A press release will be issued after the close of the market on Wednesday, February 10.

Boston Scientific is a worldwide developer, manufacturer and marketer of medical devices whose products are used in a broad range of interventional medical specialties. For more information, please visit: www.bostonscientific.com.
