Boston Scientific to Webcast Conference Call Discussing Fourth Quarter and Full Year 2010 Financial Results

NATICK, Mass., Jan. 19, 2011 /PRNewswire/ -- Boston Scientific Corporation (NYSE: BSX) will webcast its conference call discussing financial results for the fourth quarter and year ended December 31, 2010 on Wednesday, February 2, at 8:00 a.m. ET.

The call will be hosted by Ray Elliott, President and Chief Executive Officer, and Jeff Capello, Executive Vice President and Chief Financial Officer.

The live webcast and archived replay of this call will be available atwww.bostonscientific.com in the Investor Relations section. The webcast is also being distributed over Thomson Financial's Investor Distribution Network via two locations: www.earnings.com, which is accessible to the public, andwww.streetevents.com, a password-protected event management site.

To ensure a timely connection to the live webcast, it is recommended that users register at least 15 minutes before the webcast begins. The archived replay of the webcast will begin approximately 1 hour following the completion of the conference call and will be available for one year.

A press release announcing the financial results for the fourth quarter and full year 2010 will be issued after the close of the market on Tuesday, February 1.
