Boston Scientific to Webcast Conference Call Discussing Second Quarter 2005 Financial Results

(July 7, 2005) -- Boston Scientific Corporation (NYSE: BSX) will webcast its conference call discussing financial results for the second quarter ended June 30, 2005 on Tuesday, July 19, at 11:00 a.m. ET.

The call will be hosted by Jim Tobin, President and Chief Executive Officer, Paul LaViolette, Chief Operating Officer, and Larry Best, Executive Vice President and Chief Financial Officer.

The live webcast and archived replay of this call will be available at www.bostonscientific.com in the Investor Relations section. To access the webcast, please click on the "Reports and Webcast" link followed by the "Go to Webcast and Archives" link. The webcast is also being distributed over CCBN's Investor Distribution Network via two locations: CCBN's Individual Investor Center, www.earnings.com, which is accessible to the public, and www.streetevents.com, CCBN's password-protected event management site for CCBN clients.

To ensure a timely connection to the live webcast it is recommended that users register at least 15 minutes before the webcast begins. A replay of the webcast will begin at approximately 2:30 p.m. ET on July 19 and will be available for one year.

A press release will be issued before the market opens on Tuesday, July 19th.
