

## **Boston Scientific Completes Acquisition of Rubicon Medical Corporation**

(June 14, 2005) -- Boston Scientific Corporation (NYSE: BSX) today announced that it has completed the final phase of the acquisition of Rubicon Medical Corporation (OTC BB: RMDC). Boston Scientific completed a cash tender offer for any and all outstanding common stock of Rubicon on June 1, 2005. That was followed by the subsequent merger of Nemo I Acquisition, Inc., a wholly-owned subsidiary of Boston Scientific, with and into Rubicon on June 14, 2005. Following the merger, Rubicon became a wholly-owned subsidiary of Boston Scientific.

### **About Boston Scientific**

Boston Scientific is a worldwide developer, manufacturer and marketer of medical devices whose products are used in a broad range of interventional medical specialties. For more information, please visit: [www.bostonscientific.com](http://www.bostonscientific.com).

### **About Rubicon Medical**

Rubicon Medical Corporation ([www.rubiconmed.com](http://www.rubiconmed.com)) is a Salt Lake City-based developer and manufacturer of interventional vascular medical devices and products.
