Boston Scientific to Webcast Conference Call Discussing Fourth Quarter and 2008 Financial Results

PRNewswire
NATICK, Mass.
(NYSE:BSX)

NATICK, Mass., Jan. 13 /[PRNewswire-FirstCall](#)/ -- Boston Scientific Corporation will webcast its conference call discussing financial results for the fourth quarter and the year ended December 31, 2008 on Thursday, January 29, at 8:00 a.m. ET.

The call will be hosted by Jim Tobin, President and Chief Executive Officer, and Sam Leno, Executive Vice President and Chief Financial Officer.

The live webcast and archived replay of this call will be available at www.bostonscientific.com in the Investor Relations section. The webcast is also being distributed over Thomson Financial's Investor Distribution Network via two locations: www.earnings.com, which is accessible to the public, and www.streetevents.com, a password-protected event management site.

To ensure a timely connection to the live webcast it is recommended that users register at least 15 minutes before the webcast begins. A replay of the webcast will begin at approximately 11:00 a.m. ET on January 29 and will be available for one year.

A press release will be issued after the close of the market on Wednesday, January 28.

Boston Scientific is a worldwide developer, manufacturer and marketer of medical devices whose products are used in a broad range of interventional medical specialties. For more information, please visit: www.bostonscientific.com.
