Boston Scientific to Webcast Conference Call Discussing First Quarter Financial Results

NATICK, Mass., April 15 /[PRNewswire-FirstCall](#)/ -- Boston Scientific Corporation (NYSE: BSX) will webcast its conference call discussing financial results for the first quarter ended March 31, 2010 on Tuesday, April 27, at 8:00 a.m. ET.

The call will be hosted by Ray Elliott, President and Chief Executive Officer, and Jeff Capello, Executive Vice President and Chief Financial Officer.

The live webcast and archived replay of this call will be available at www.bostonscientific.com in the Investor Relations section. The webcast is also being distributed over Thomson Financial's Investor Distribution Network via two locations: www.earnings.com, which is accessible to the public, and www.streetevents.com, a password-protected event management site.

To ensure a timely connection to the live webcast it is recommended that users register at least 15 minutes before the webcast begins. A replay of the webcast will begin at approximately 11:00 a.m. ET on April 27 and will be available for one year.

A press release will be issued after the close of the market on Monday, April 26.

Boston Scientific is a worldwide developer, manufacturer and marketer of medical devices whose products are used in a broad range of interventional medical specialties. For more information, please visit: www.bostonscientific.com.
