Boston Scientific to Webcast Conference Call Discussing Second Quarter Financial Results

NATICK, Mass., July 7 /[PRNewswire-FirstCall](#)/ -- Boston Scientific Corporation (NYSE: BSX) will webcast its conference call discussing financial results for the second quarter ended June 30, 2010 on Wednesday, July 21, at 8:00 a.m. ET.

The call will be hosted by Ray Elliott, President and Chief Executive Officer, and Jeff Capello, Executive Vice President and Chief Financial Officer.

The live webcast and archived replay of this call will be available at www.bostonscientific.com in the Investor Relations section. The webcast is also being distributed over Thomson Financial's Investor Distribution Network via two locations: www.earnings.com, which is accessible to the public, and www.streetevents.com, a password-protected event management site.

To ensure a timely connection to the live webcast it is recommended that users register at least 15 minutes before the webcast begins. A replay of the webcast will begin at approximately 11:00 a.m. ET on July 21 and will be available for one year.

A press release will be issued after the close of the market on Tuesday, July 20.

Boston Scientific is a worldwide developer, manufacturer and marketer of medical devices whose products are used in a broad range of interventional medical specialties. For more information, please visit: www.bostonscientific.com.
