Boston Scientific to Webcast Conference Call Discussing Second Quarter 2011 Financial Results

NATICK, Mass., July 14, 2011 /PRNewswire/ -- Boston Scientific Corporation (NYSE: BSX) will webcast its conference call discussing financial results for the second quarter ended June 30, 2011 on Thursday, July 28, at 8:00 a.m. ET.

The call will be hosted by Ray Elliott, President and Chief Executive Officer, and Jeff Capello, Executive Vice President and Chief Financial Officer.

A live webcast of the discussion will be available via Boston Scientific's website. Webcast registration is available on the Investor Relations section of the website at www.bostonscientific.com/investors. Interested parties are encouraged to register at least 15 minutes prior to the scheduled start time to ensure a timely connection.

The webcast is also being distributed over Thomson Financial's Investor Distribution Network via two locations: www.earnings.com, which is accessible to the public, and www.streetevents.com, a password-protected event management site.

An archived replay of the webcast will be accessible at www.bostonscientific.com/investors approximately one hour following the completion of the conference call and will be available for one year.

A press release announcing the financial results for the second quarter of 2011 will be issued on Thursday, July 28, prior to the earnings conference call.
