Boston Scientific

Boston Scientific to Webcast Conference Call Discussing Third Quarter Financial Results

NATICK, Mass., Oct. 1 /PRNewswire-FirstCall/ -- Boston Scientific Corporation (NYSE: BSX) will webcast its conference call discussing financial results for the third quarter ended September 30, 2007 on Friday, October 19, at 8:00 a.m. ET.

The call will be hosted by Jim Tobin, President and Chief Executive Officer, Paul LaViolette, Chief Operating Officer, and Sam Leno, Executive Vice President and Chief Financial Officer.

The live webcast and archived replay of this call will be available at http://www.bostonscientific.com/ in the Investor Relations section. The webcast is also being distributed over Thomson Financial's Investor Distribution Network via two locations: http://www.earnings.com/, which is accessible to the public, and http://www.streetevents.com/, a password-protected event management site.

To ensure a timely connection to the live webcast it is recommended that users register at least 15 minutes before the webcast begins. A replay of the webcast will begin at approximately 11:00 a.m. ET on October 19 and will be available for one year.

A press release will be issued prior to the call on October 19.

Boston Scientific is a worldwide developer, manufacturer and marketer of medical devices whose products are used in a broad range of interventional medical specialties. For more information, please visit: http://www.bostonscientific.com/.
